## VIRTUAL Entertainment / Virtual Mind Reading / Virtual Team Building Activities

**WIJ has gone virtual!!**

**Virtual show - YouTube video clip**

**If you are looking:**

1) to inject fun, laughter & amazement, to stay connected with your employees, customers or conference attendees; to build team culture, consider Option #1 below for your virtual meetings and online conferences.

2) for a virtual team building solution to boost staff morale, to engage, motivate and bring your team together, consider Option #2

3) to move your Holiday party Online without the hefty event rental & food costs, to connect with your staff & their families while social distancing, consider Option #3 shown below (geared for kids & adults), ideal for your virtual Holiday party this year or for an online client appreciation event.

Whether he's performing his virtual "comedy magic & mind reading" act or his virtual team building show to engage and bring your teams together, you can be assured that your virtual event will be the talk of the town.

### **Interactive Virtual Show**

#### **Virtual Online Adult Show (Sophisticated Magic & Mind reading Act)**

Maximum audience size of 300: (if you have more than a 300 participants on the virtual show, the client needs to provide the zoom link or the link for their chosen platform.) It's unbelievable magic & mind reading mixed with lots of audience virtual interactions. This sophisticated show is perfect for a corporate audience. This Virtual show is very similar to his IN PERSON Stage Adult show, except without the fancy backdrops, big speakers, laser projector or the projector screens etc. A very similar show except it's virtual. So without the travel time, set up and break down, he saves time and you save money. Depending on your budget and preferred show duration, this program is available in 20, 30, 45 and 60 minute formats. [Contact us](#) for pricing

## **Video Conferencing Platform**

Wij is comfortable using and familiar with Zoom, Microsoft Teams, Google Meet and Facebook Live to name a few of the popular choices. His preferred choice is Zoom as it has a KEY feature called Spotlight which allows for multiple participants to be spotlighted (to share the screen so that it's visible to all). This makes it very user friendly for interactive virtual shows and for team building activities. The other platforms do not offer this feature yet so he does prefer to use Zoom but will use the other platforms if your company is already set up with them. His Zoom conferencing account has a maximum of 300 computer/device logins. If you want more than 300 participants logging into the virtual show, the client needs to provide the zoom link or the link for their chosen platform.

## **Virtual Set Up Details:**

Wij uses a \$3000 high definition video camera system that allows for multiple angles, pan, tilt and zoom capabilities (Not a cheap web cam) so that his clients have the best virtual show experience as he is able to zoom in and out and offer multi angle views for a better virtual show experience.

All of Wij's online virtual shows & team building programs include:

- the multi angle, zoom in & out video camera system for best virtual experience
- high quality mic plugged directly into the computer for best sound
- and professional studio lighting for best viewing clarity.
