RASPYNI
BROTHERS

BRAIN BREAKS

FOOD FOR THOUGHT

The **Raspyni Brothers** provide the perfect entertainment sorbet to cleanse your audience's intellectual palate. Each of their appearances is excellently prepared and perfectly timed to break up long information-heavy sessions.

Whether it's over the course of an entire day, or those long award ceremonies that sometimes feel like an entire day, Barry and Dan create an atmosphere of anticipation and fun that keeps a crowd's energy up from start to finish.

Their menu of comic material is over three hours long. It's like an all-you-can-eat buffet of funny - **dig in!**
