Bio

Fluent in French, Italian and English, the French Canadian is intensely competitive but very personable, passionate and fun. This combination makes speaker Alex Tagliani well-liked by his competitors and a fan favorite. Racing became his passion at the age of 10 years, when he was introduced to karting on a visit to see his paternal Grandfather in Northern Italy. An enthusiastic competitor with racing in his blood, Tagliani gives 110% to his race team on any given day. [morelink]

Topics

Potential (but not limited) Presentation Topics:

- How Technology Affects Us in the Day to Day
- Latest Technology in the World of Racing
- Mental and Physical Fitness in Racing
- Motorsport: The Marketing Platform
