Man of 1000 Voices - Master Impersonator

<http://www.kmprod.com/andre-philippe-gagnon>

Bio

Acclaimed Impressionist André-Philippe Gagnon can slip from Joe Cocker to Dionne Warwick quicker than most performers can take a curtain call! Gagnon's impressions of famous personalities among the likes of Mick Jagger, Vanessa Paradis, Louis Armstrong, Jean Chrétien, and even Fred Flintstone, are rapid-fire and relentlessly spot-on. Entertaining in both English and French, Gagnon is sure to leave audiences dazzled and ? of course ? wanting more.

Gagnon's big break was when he was invited to appear on the *Tonight Show with Johnny Carson*, where he performed his version of the famine-relief anthem "We Are the World," doing every singer on the song: 18 famous voices in one composition.

With his brilliant impersonations and his overflowing charisma, Gagnon is the ideal international performer. Whether it be the St-Denis Theatre in Montreal or the Venetian in Las Vegas, the Royal Alexandra Theatre in Toronto, or the Casino de Paris in Paris, audiences emerge from the show overwhelmingly amazed.
