*****Unfortunately none of the above programs are available "virtually."**

For a great selection of "virtual" entertainment programs, start [here](#) and [here](#).

VERY IMPORTANT: Murder Mysteries are "dinner theatre" shows. As such, **they require an entirely-seated audience** (i.e. banquet tables) **as well as the undivided attention of the entire audience**. They work best as interactive entertainment for luncheons/dinners/banquets as the dialogue among the actors takes place in between the courses of the meal (in conjunction with coordination with the on-site catering staff.) They are **not suitable** for events such as receptions; hospitality suites or any type of casual environment where the guests are standing, mixing and mingling with each other. They also do not work, virtually. There are other appropriate forms of entertainment for these types of events [which we would be glad to suggest to you](#).

Costs for the above programs are dependent on the location of the off-site event; and the total number of attendees. For events more than (1) hour outside of the greater Toronto area, accommodations and meals for cast members may also be required.

For more information & **fees***** [contact us](#).

*** Off-site, LIVE events only *** (i.e. Client books the meeting or banquet space, the catering requirements & the show comes to you.) **Minimum 25 participants.** For a great team building program for a minimum of 15 participants, please [click here.](#))
