Leadership, Teamwork & Goal of the Century, Order of Canada Recipient

<http://www.kmprod.com/paul-henderson>

Bio

Paul Henderson became a Canadian sports legend on September 28, 1972. With 34 seconds remaining in Canada's game against the Soviet Union, Henderson scored the winning goal and lifted Canada to victory in the "Series of the Century." Today, Henderson shares the lessons of leadership, teamwork, and commitment he learned during his professional hockey career to help motivate organizations and individuals to reach their own incredible goals.
