The Food Professor, Senior Director of Agri-food Analytics Lab

<https://www.kmprod.com/speakers/speaker-dr-sylvain-charlebois>

Bio

Dr. Sylvain Charlebois is a Professor in food distribution and policy in the Faculty of Management at Dalhousie University in Halifax. He is also the Senior Director of the Agri-food Analytics Lab, at the same university. He is as well the former Dean of the Faculty of Management at Dalhousie University. Before joining Dalhousie, he was affiliated with the University of Guelph's Arrell Food Institute, which he co-founded.

Known as "The Food Professor", his current research interest lies in the broad area of food distribution, security and safety. **He is one of the world's most cited scholars in food supply chain management, food value chains and traceability.** Since 2020, he co-hosts *The Food Professor* podcast, discussing issues in the food, foodservice, grocery and restaurant industries. The podcast is ranked in the top 10 most listened management podcast in Canada. [morelink]

Topics
