The Food Professor, Senior Director of Agri-food Analytics Lab

<http://www.kmprod.com/speakers/speaker-dr-sylvain-charlebois>

Bio

Dr. Sylvain Charlebois is a Professor in food distribution and policy in the Faculties of Management and Agriculture at Dalhousie University in Halifax. He is also the Senior Director of the Agri-food Analytics Lab, also located at Dalhousie University and is the former Dean of the Faculty of Management at Dalhousie University. Before joining Dalhousie, he was affiliated with the University of Guelph's Arrell Food Institute, which he co-founded. While at the University of Guelph, he was also the Associate Dean of Research for the College of Business and Economics.

Known as "The Food Professor", his current research interest lies in the broad area of food distribution, security and safety. **He is one of the world's most cited scholars in food supply chain management, food value chains and traceability.**

He has authored five books on global food systems, his most recent one is entitled *Food Safety, Risk Intelligence and Benchmarking*. He has also published over 500 peer-reviewed journal articles in several academic publications. Furthermore, his research has been featured in several newspapers and media groups, including The Lancet, The Economist, the New York Times, the

Boston Globe, the Wall Street Journal, Washington Post, BBC, NBC, ABC, Fox News, Foreign Affairs, the Globe & Mail, the National Post and the Toronto Star.

Dr. Charlebois sits on a number of company boards, and supports many organizations as a special advisor, including some publicly traded companies. Charlebois is also a member of the Scientific Council of the Business Scientific Institute, based in Luxemburg. Dr. Charlebois is a member of the Global Food Traceability Centre's Advisory Board based in Washington DC, and a member of the National Scientific Committee of the Canadian Food Inspection Agency (CFIA) in Ottawa. He has testified on several occasions before parliamentary committees on food policy-related issues as an expert witness. He has been asked to act as an advisor on food and agricultural policies in many Canadian provinces, as well as in the United States, Brazil, Austria, Italy, France, Belgium, China, Great Britain, Finland and the Netherlands.
