## **Bio**

Acclaimed global futurist, best-selling author and speaker **Jack Uldrich** is frequently asked, “What will the future look like?” His response is, “Predictably unpredictable.” So how can you prepare for the unpredictable? The answer will surprise you. The key is embracing paradox: learning to unlearn, thinking about the unthinkable, recognizing failure as a key component of success, and understanding that an awareness of one’s ignorance is a key component of true wisdom.
