Corporate Innovator & Digital Transformation Expert

<http://www.kmprod.com/speakers/speaker-lital-marom>

Bio

Having worked closely with leading global brands on **the integration of new business models and emerging technologies**, Lital Marom has become a sought-after **speaker on disruption, innovation, technology, and new economic models**. A thought leader on agile business processes, **digital transformation**, and the **future of work**, Lital Marom is an expert at helping organizations unlock the potential of their business by leveraging emerging technologies and new economic models. In her practical and engaging talks, she inspires business leaders to “disrupt themselves” and push beyond their limitations to **future proof their businesses**. [morelink]
