Bio

Randy Taylor is an inspiration in the world of personal growth, sales, service and leadership speaking. Having escaped poverty, his parents' alcoholism, and life on the streets, he was able to reach the very top in Canadian broadcasting in both radio and television (at CFRB 1010 and Global Television.) Basing his presentations on his personal experience of overcoming challenges, Randy motivates audiences to push past self-limiting behaviour to discover limitless personal and professional success. Topics

VIRTUAL Keynote:

Randy Taylor's most popular "virtual" presentation:

Navigating Disruption:

Turning Adversity Into Opportunity - Adapting to Covid

The impact of COVID on productivity for most has been real and understandable. When long

engrained habits of business structure, process and function are completely changed there is a tangible impact on how we function day to day. Given that working from home is likely to be in place for the foreseeable future, adapting and creating new habits and behaviours is key to current and future success.

In this session Randy Taylor will unveil a long-proven process to create a very manageable day to day solution for productivity you can implement immediately. He will also discuss some of the very real advantages for staff during this time.

Key Take-Aways:

- Turning adversity into opportunity
- Accepting and embracing change
- Create the new behaviour of disciplined efficiency
- Learn and implement the planning and execution of the top 2%
- Dramatically reduce stress
