**Sensational Musical Impressionist & Entertainer**

<http://www.kmprod.com/veronic-dicaire>

## **Bio**

Female musical impressionist **Véronic DiCaire** is a powerhouse of extraordinary talent and unstoppable energy. Simply put, she's sensational and spellbiding. You can close your eyes and you'll swear you are hearing the actual star - be it Anita Baker, Whitney Houston, Karen Carpenter, Cher, Susan Boyle, Adele, Christina Aguilera, Sheryl Crow, Madonna, Lady Gaga, Tina Turner and Celine herself. There's everybody from Mariah Carey to Dolly Parton to Shania Twain to Katy Perry and Billie Holiday - in all 55 of the best female singers in music history.

It's an unequalled repertoire. Veronic's platinum powered voice as Aretha Franklin and Whitney at the end of the show sends goose bumps up and down one's spine. Don't take our word for any of this. You have to see it, hear it and feel it for yourself. It is a remarkable and phenomenal experience. [morelink]
