Bio

Wayne Lee, hypnotist, speaker, peak performance, stress management expert and author, has an unrelenting passion for entertaining and empowering people. With the belief that the mind is more powerful than most people understand, Wayne shows audiences ? such as clients McDonalds, Toys R Us, General Motors, Shell Oil, Atlific Hotels and Princess Cruise Lines ? techniques to access inner strength through relaxation and mind-focusing techniques in order to better handle stress and achieve dreams. With his trademark humour and easy-going approach, Wayne also entertains audiences with a "hypnosis show" that is guaranteed to incite laughter and delight.

Wayne's interest in visualization and mind power led him to the art of stage hypnosis. In 1994, Lee performed his first hypnosis show in front of a sold-out crowd and was immediately hooked. Over the years, Wayne has used hypnosis to excite, entertain, and mesmerize thousands of audiences throughout North America. His passion for his career is evident the moment he takes the stage. Every presentation is unforgettable and filled with laughter and inspiration that allows people to explore the depths of their imaginations, break through their fears, and live on purpose with more joy, freedom, and love.
