## WIJ

**One of Toronto's Finest Sleight-of-Hand & Corporate Event Magicians**

<http://www.kmprod.com/wij>

### **Bio**

More than just a magician, Toronto-based **Wij** (rhymes with 'fridge) combines clever magic with witty patter that leaves audiences both mesmerized and howling with laughter. Wij's unique blending of magic and humor has made him an award winning performer.

You'll see spectators gasp with amazement - literally - as he does the impossible and evoke bursts laughter at the situation his comedy magic reveals. Wherever he performs, audiences are frequently heard saying that the sophisticated comedy magic of Wij is the funniest they have ever seen.

As a corporate magician, Wij specializes in helping make your corporate events memorable and fun. His magic has taken him to many countries around the world including Brazil, Panama, Cuba and Germany.

He has performed on numerous television shows, for celebrities and many of the world's top corporate clients. Wij's clients include Accurate Assessment, TD Canada Trust, Bell Mobility, General Motors (GM), Bell Canada, Johnson & Johnson, Business Depot, Bayer Canada, Compugen, IBM, Microsoft, Miller Thomson, and many more.

##### [Strolling Magic](#) (Close-Up Sleight-of-hand Magic)

Performed "in the hands" while strolling from group to group or from table to table. It's ideal during cocktail hour, after dinner & Hospitality suites, or for when there's no time for everyone to watch a stage show. It's also a great ice breaker at corporate events. The magic happens right in the spectator's own hands or right under their noses leaving everyone with a personal magical experience.

##### Stage Magic

Performed on a grander scale to a seated audience using bigger props. It's unbelievable magic mixed with lots of audience participation and situation comedy. This sophisticated show is perfect for a corporate audience. A fun, clean show. In addition, Wij also offers an excellent, interactive stage show geared towards kids for Family corporate and social events.

##### [Trade Shows](#)

The problem you face at trade shows is finding someone who can attract enough attention to stop Trade Show attendees long enough for them to hear your company's sales message and product benefits. Wij makes it easy for you. With many years of performing in the corporate world, Wij makes frequent appearances at company trade shows, sales meetings, hospitality suites and corporate events. **He uses magic to communicate your business information to your potential prospects.** [morelink]
