SCOTT BURROWS

Scott was a star athlete and fierce competitor. By the age of 19, he played college football at Florida State University and was a top-ranked kick-boxing Black Belt Champion whose last fight was broadcast on **ESPN**. On November 3, 1984, however, Scott's life forever changed. He was involved in a horrendous automobile accident as a passenger in his friend's car. He broke Cervical 6 and 7 vertebrae in his neck and suffered a serious spinal cord injury that left him paralyzed from the chest down and diagnosed a quadriplegic. But Scott refused to be sidelined. After graduating from college, he became a top producer in the Insurance and Financial Industry and qualified for the **Million Dollar Round Table**. At that conference, in 1994, Scott was so inspired by the keynote speakers that he made a tough decision to leave an industry he had so much passion for to pursue a speaking career—a career that has taken him all over the world.

Success Strategies to Help You Stand Up to Diversity

The true measure of success is how well you respond to Diversity, change, self-doubt, setbacks and fear. Whatever belief system you employ must be powerful enough to conquer these obstacles and any other impediments to your personal and professional growth, or you—and your organization—will be left behind.

As Organizations worldwide have discovered, Scott Burrows' compelling story is the hero's journey, providing what will be an unforgettable and lasting memory to inspire your entire

Organization to stand up to Diversity. Using his physical paralysis as a visual metaphor, Scott reveals how to drive Diversity and Inclusion Results using the same mental focus that helped him reinvent his life after his catastrophic accident. He will show you firsthand how to apply the same timeless principles of **VISION, MINDSET & GRIT** that have had a profound impact in his life. Three simple yet powerful words that, when put into action, can absolutely change the direction of both your personal and professional life, setting the stage for developing cutting-edge ideas and leadership strategies that will benefit your entire Organization.
