

Unparalleled Keynotes Designed to take Your Organization to its Full Potential.

Imagine the possibilities when your teams & leaders are aligned in purpose and performance.

As a peak performance expert, Wayne Lee awakens audiences to their full potential. For 20+ years, Wayne has helped over 6,000 audiences global organizations achieve sustainable peak performance through a positive mindset, collective alignment and the power to overcome what seemed impossible yesterday.

Here is the secret:

Wayne guides audiences to tap into what we don't normally talk about in the corporate setting: Joy, freedom, and love. A world where magic happens.

Peak Performance Expert, Hall of Fame Speaker, and Award-Winning Entertainer

"In over 20 years, Wayne Lee is one of the best speakers/entertainers we've ever had. Our team has not stopped talking about him!"

-Karen Bosin, Director of Conferences and Events, Shoppers Drug Mart

A Perfect Balance of Talent & Teaching.

Darrell Johnston, Regional Vice President, Eastern Canada, Compass Group Canada.

One of North America's premier Corporate Presenters, Entertainers, and Peak Performance Experts, Wayne Lee is a veteran of thousands of successful shows and presentations, a published author, and a mentor to professionals from all walks of life.

Wayne's own journey to excellence has been fueled by an unrelenting passion for empowering people. From a childhood fascination with magic and visualization, Wayne's gift and passion for seeing great potential and acting on it have allowed him to grow his career and perform to audiences worldwide.

Today, he works with leading brands to guide their leaders and teams through stressful, constantly changing and fast-paced environment that is now commonplace. Wayne shows each audience how to reconnect with what matters most so they can achieve any result, all while enjoying the ride of their life.

Peak Performance Keynote

An unparalleled 60 - 90-minute interactive experience where Wayne will show your audience the connection between the inner goings-on of the mind and the outer action and performance. Your audience will leave uplifted, energized and empowered.

Audience

Executive leadership, managers, frontline employees and teams looking to increase alignment and productivity.

Results For Your Organization

Your teams and leaders will...

Be uplifted by identifying and unshackling themselves from their self-limiting beliefs

Be energized by replacing fear, fatigue, and failure with purpose, performance, and joy

Be empowered by realizing that they can program their subconscious to be in the state of their highest potential now

"It is unprecedented that we use the same speaker more than once at our management conference but our team raved about Wayne so much (96% positive rating) that we had to bring him back!"

Brent Mooney, Chief Financial Officer, Compass Group Canada

Live The Laughter Hypnosis Show

The ultimate in corporate entertainment – hilarious, tasteful, and inspiring! A customized 60-90-minute interactive experience that is the ultimate in corporate entertainment.
