Live the Laughter - A Comedy Hypnosis Show (60 – 90 Minutes)

Unforgettable Laughter

The perfect fit for your evening entertainment, awards banquet or client appreciation events.

What does it mean to Live the Laughter? With Wayne Lee it means a highly interactive hypnosis show as unique as it is hilarious. It means gut-splitting laughter and improbable scenes acted out by audience members no longer inhibited by their fears. Wayne's show is always clean, classy and tasteful. Everyone has a great time and your participants become the stars and heroes of your event. As well as Hilarious this show is very inspiring as Wayne gives all the participants a life changing suggestion to help them achieve any personal or professional goal. This powerful suggestion will also be a tool to help them perform better at work and at home.

"As a corporate event with over 1500 employees and guests, it was a mixed crowd of all ages and backgrounds. We were sensitive that the content may not be appreciated by such a diverse group. Wayne captured our room and kept them engaged through the full 1.5 hour performance. Wayne displayed tremendous skill in hypnotizing the volunteers while simultaneously entertaining the audience and keeping them fully involved. We would highly recommend Wayne for anyone."

– Cindy Lowe, Epcor

Even the most jaded cynics will laugh uncontrollably... and then thank you!!

Live the Laughter: A Comedy Hypnosis Show is the perfect tonic to improve morale and encourage team-building within your organization. It will give wings to any event on your calendar, whether it's a convention, conference, awards banquet, customer or staff appreciation night, holiday party, or a fundraiser. Wayne Lee presentations deliver the ultimate in corporate entertainment – hilarious, tasteful, and inspiring!

"Everyone from our restaurant managers to our vice-presidents enjoyed the show. It was the best entertainment in years. You were energetic, funny and had the whole crowd mesmerized. People are still amazed at the power of your hypnotism. We would highly recommend you as a headlining act to anyone who was prepared to have a great time!"

– Annette Willoughby, McDonald's Restaurants of Canada Ltd.
