BLUE MOUNTAIN - Collingwood

Give your team a lift with our fun and novel team building exercises in Blue Mountain Collingwood.

Located just west of Collingwood, this Ontario resort has undergone a remarkable transformation over the past few years. Whether winter, spring, summer, or fall, your Blue Mountain team building adventure will allow your team to experience the resort's new Village and its myriad of restaurants, bars, shops, and seasonal attractions.

Blue Mountain team building adventure you'll need to slalom and navigate your way through a course - only you'll be doing it with brainpower and teamwork instead of skis or bikes. During your team building adventure teams might have to communicate in "surfer talk", appraise some beaten up bicycles, or decide whether they want to have a run-in with Elvis.

A popular destination for off-site meetings and company functions, Blue Mountain provides a perfect venue for the team building benefits generated by a Conundrum Adventure.
