## **OTTAWA-GATINEAU Adventures - Downtown Ottawa -**

Our unique brand and style of teambuilding has arrived in the nation's capital. Home to Parliament Hill, parks, a pedestrian mall, and a peaceful canal, Ottawa's downtown core offers an unparalleled range of Conundrum puzzle experiences. Eminently walkable, the country's fourth largest city also has a rich history, with interesting features and facts to be found at every twist and turn.

Elect Conundrum for your next Ottawa Group Activity and you'll visit some familiar, and not so familiar, places in your quest to solve a series of intriguing, thought-provoking, fun, and humorous puzzles. For instance, on arriving at Parliament Hill, you may need to brief a foreign politician on proper Canadian etiquette. By successfully navigating the hustle and bustle of the ByWard Market, you might just be able to save a top chef's job. And only after volleying around ideas at a gelateria might you be able to figure out what Roger Federer and gelato have in common.

For your convenience, each downtown Ottawa adventure roster is unique, designed according to your particular start and finish locations. But be assured that regardless of which interesting downtown sites your particular adventure includes, your team will have a fun shared experience that will be remembered long after the last puzzle has been solved.

## Canadian Museum of Civilization

Conundrum Adventures has arrived in Ottawa with a sensational new team building adventure at the Canadian Museum of Civilization!

Recognized as one of the premier cultural facilities of the twentieth century, the Canadian Museum of Civilization houses more than 3.75 million artifacts spanning the disciplines of history, archaeology, folk culture, ethnology, postal communications and various other areas of heritage study.

These Canadian Museum of Civilization galleries and exhibitions will come to life during your Conundrum Adventure as you explore Canada from its earliest origins right up to its present day icons. Your team will tackle an eclectic array of challenges. Will you be able to improve the recipe for Pemmican, a Fur Trade staple? Does your team have what it takes to apply for the Most Dangerous Job in the World? When a CP airline stewardess asks for your help in the Vancouver Airport lounge, will your team get her on the proper flight?

Although our Canadian Museum of Civilization adventure challenges are diverse, they have one overriding commonality: they will get your team talking, planning, problem solving, and laughing.

If you are planning your group activities as part of a bigger company function, the Canadian Museum of Civilization is an excellent venue for corporate meetings and events. Conveniently located minutes from downtown Ottawa, and recognized as a preferred event destination, the Museum is ideal for a wide range of corporate functions.

Your Canadian Museum of Civilization team building event can easily be incorporated into a day of meetings and/or presentations, providing an excellent opportunity to take full advantage of everything the venue has to offer.
