Toronto Harbourfront

Everyone enjoys an afternoon by the lake. That explains why Toronto's Harbourfront district is such a popular destination for people of all ages. It's an area oriented around strolling, sightseeing, sailing, and snacking. Here you can take a cruise to enjoy scenic views of the city, choose from an engaging menu of art and theatre experiences, or simply relax with a drink on a lakeside patio.

During these Toronto teamwork programs, however, you'll be spending your afternoon by the lake a little differently - fishing for answers to mind-bending puzzles and challenges. Your Harbourfront teambuilding adventure may have you embarking on a virtual road trip, searching for objects from outer space, and/or helping a singer impress some judges. All the while, you'll be exploring the waterfront from a new perspective, and practicing skills that can lead to more effective teamwork.

This Conundrum route is suitably located within minutes of most downtown Toronto offices, making it ideal for your Toronto teambuilding event, with starting and finishing points that can be customized to make your experience as convenient as possible.
